# The Sale Offering

---

In the past, I have helped get out some 45 sale catalogs, but in all that time have never listed such a dependable and well bred lot of cattle as this is.

Here is what you will find in this catalog.

## 11 BULLS—

- 2 bulls sired by Edellyn Campeon Mercury
- 1 bull sired by Sni-A-Bar Control
- 2 bulls sired by Roanridge Golden Charm
- 6 bulls all dark colored sired by the \$2,000 all red Helfred Golden Fame

## 19 COWS WITH CALVES AT FOOT—

- 14 cows safely settled again to the service of great bulls
- 5 with younger calves
- 9 heifers bred to outstanding bulls
- 7 open heifers

## 65 HEAD OF CATTLE SELLING AS 48 LOTS.

The breeding dates are good and printed in this catalog. Eight of the Roanridge females are safe in calf to Roanridge Brave Mercury, an excellent son of the great Campeon Mercury, and three are bred to Roanridge Major Mercury, a full brother to Sni-A-Bar Randolph, the 1946 reserve International champion bull.

All of the Bellows females except one carry the service of Helfred Golden Fame.

Examine the catalog carefully, study the breeding, note the number of calves that the four and five-year-old cows have had, the breeding dates on the heifers, and I believe you will agree that it is as dependable, well bred lot of cattle as will be found in one sale.

We want you to be our guests sale day at Parkdale Farm.

An outstanding son of Edellyn Campeon Mercury combining the best blood of Scotland, Canada and this country. This good headed, heavy boned, thick fleshed bull has been used as the chief stock bull at Roanridge. His disposition is ideal. He is very sure. His first calves arrived in April and justify his use. His dam is an extremely heavy milking cow of true beef type. He should go into a herd where thick, blocky short legged calves of the most desirable types are to be produced.

This bull has at the top of his pedigree three bulls each of which was the chief stock bull at Sni-A-Bar Farms, Imported Baronet, Paymaster Stamp and Edellyn Campeon Mercury. He is not quite a year old but has the weight for age which makes Shorthorns famous, ample bone to carry his weight, a good strong head and excellent fleshing qualities. He should make an outstanding sire.

Helfred Golden Fame is proving to be an excellent sire, of both bulls and heifers. The colors are perfect and when you see the six bulls sired by him you will say they are all real herd bull prospects. All of our calves at foot are sired by him and all of the bred females carry his service except one. The calves at foot are mostly bulls, and every one of them can be counted on to grow into a good herd bull. Our females are really a "Golden Fame" offering.

Parkdale Golden Fame IV is one of the thickest bulls in the lot. He is low set, has a wonderful head. These calves all carry a lot of weight for age. At nine months, this calf weighed 700 lbs. In a judging contest here at the farm, his dam was selected as the best cow of the group. We showed her as a yearling.
